Sir,

In reply to your letter No. E G/57 Geol. 95-18-11 dated the 2nd Ultimo, enquiring if any provision for paying compensation for the acquisition of lands has been made in the estimate of the Tuberculosis Sanatorium, now under construction in Mysore, and whether the amount of Rs. 15,000/-, advanced by Government to Mr. Manikyavelu Mudaliar, as compensation, can be charged to the work, either in part or in entirety, I am directed to inform you that the charge, in question, would have to be met by Government and not from the funds of the Second Maharaja Kumari, set apart for this charity. This additional expenditure had to be incurred on account of the mistake committed by the Revenue Authorities in not having apprised us of the existence of a prospecting license over the block. If the fact had been made known in time, a separate site could have been

been selected for the Sanatorium.

I have the honour to be,
